

## 26 May 2019 - Walbundrie

The day was cold (very cold) and rain forecast. The rain held off long enough for all to enjoy this great little map. Less than 90 seconds separated Debbie, Leigh and Alex on the long Red. The Janetzki's (Jack and Tom) blitzed the Short Red and Easy respectively. Emma Joyce still remembers how to orienteer from the many times Tony and Liz dragged her along to events as a young teenager and took out the Moderate course.
