

MTBO Score O – Chiltern 7 Sep 2019

38 competitors enjoyed a day of mixed spring weather. But the heavy rain on Friday and light showers Saturday helped provide ideal track conditions, with the dust settled but few muddy patches or puddles.

Points were awarded as 10 for control close by (mostly in town) and 20 for those more distant (mostly in the bush). 10 points were deducted for every minute, or part thereof, a competitor was over their allowed time. And there were certainly a lot of time penalties! (perhaps a watch with an alarm should be popular stocking stuffers this Christmas?) To be fair though, several competitors chose to enjoy the surrounds and not be worried about returning on time; certainly Leigh enjoyed himself...

Results below with AWOC locals in blue. A very tight battle in the 60 minute event with AWOC'er Emma Flower putting in a strong ride but perhaps wondering if she could have used the 6 minutes she had remaining. It was an even tighter battle in the 90 minute event with a three-way tie for the lead, the placings being decided on time. The minor placings were equally as tight with five riders within 30 points of the winner.
