

AWOC *Bush O* Championships

1 November 2020

A warm spring day in the Barambogie section of Chiltern-Mt Pilot National Park greeted a good turn out of competitors; numbers were boosted by a strong contingent from Bendigo and Ballarat but the regular Waggaroos attendees were missed due to NSW border travel restrictions.

Good spring rainfall meant there was a dense ground cover in many areas which made going slow. Heavy rain the proceeding day also made things slippery early and increasingly humid as the day warmed up.

Long Red (9.1 km)

A slow start didn't preclude Ben Goonan from a comfortable win, although a late starting slot meant he was running in the heat and without water due to Covid restrictions. Jim Russell would have been within 2½ minutes except for two controls being punched out of order, without any time gain from doing so. This gave Warrick Williams second place. James Robertson had a strong start but had to abandon due to family commitments.

Medium Red – AWOC Men's Championship (6.5 km)

Congratulations to Matt Flower, newly crowned AWOC Men's Champion, after a strong run on a challenging course, especially given the ground cover which sometimes turned the 'run' into a walk.

Well done to everyone else who finished – there were some long times but the perseverance was impressive. A mention for Tony Perrott who had a very good run except for missing one control; we'll never know how long it may have taken to find but Tony was fastest on half of the legs and close on the others.

Short Red – AWOC Women's Championship (4.4 km)

Congratulations to Liz Wood, again crowned AWOC Women's Champion. Liz had a very good run with some challenging controls suiting her navigation skills, losing significant time on just one control.

Jarad Kohler and Ange, Luella, Penelope and Aldridge ran together, their first time on a red course, and did a great job of getting around. Hopefully we'll see them more regularly on red courses in the future and challenging for championships.

Special mention to Margaret Kerstesz for perseverance – over 3 hours and exhausted but she got all controls!

Orange – AWOC Junior Championship (2.7 km)

Juliette Milbank was fastest, losing significant time on just one control.

Congratulations to Nicholas Mousley, AWOC Junior Champion, for finishing just ahead of the other juniors. Nick lost a lot of time on the third control but kept going and was consistent to the finish.

Ruby Burns was very close as second of the juniors and did an amazing job of getting around a challenging course for someone so young.

Well done also to Eleanor Williams as a close third of the juniors with just one control costing her a lot of time.

There were very few 'catching features' for most of the course so it was great that the juniors finished, let alone ran some really good legs.
