

Interclub #6 – Goombargana

1 August 2021

(report by Peter Mousley, AWOC)

Sunshine and a cool breeze welcomed competitors to the first event held at Goombargana, a new map combining open farm land and complex granite terrain. And it was very exciting to be running on a brand new bush map - a big thanks and admiration to Alex Davey for his mapping!

Briohny Seaman (WaggaRoos) took the honours on Long Red, gaining a winning lead through the bush section without giving up much in the open areas. AWOC completed the podium, with Peter Mousley second and Matt Flower third.

The closest battle of the day saw WaggaRoos claiming the top two places on Short Red, with Deb Davey getting home just 15 seconds ahead of Jack Janetzki. Liz Wood led a contingent of AWOC runners to claim third.

Nick Mousley (AWOC) and Tom Janetzki (WaggaRoos) continued their tussle on the Moderate Course, Nick taking the win with a consistent run but Tom also having a good run, only losing significant time during two legs. Ruby Burns gave AWOC another podium, sneaking home in third ahead of several other competitors.

A tight battle on the Novice course, with Ian & Louisa Burns (AWOC) edging out Marty Young and his boys James and Tim (AWOC) in second and young Ryder Seaman (WaggaRoos) a very close and impressive third.

Overall it was a very enjoyable day in the new terrain, with some complexity on the hard courses and well considered courses for the less experienced.

Well done and a huge thank you to Wayne Bajenoff for all his work course setting and running the event!

AWOC won the day 64:40 and after 6 events lead the Interclub Challenge 314:235.

(full results and a table of split times follow)
