

AWOC Bush O Championships – Mt Terrible – 2021-11-07

After a forecast of 80-90% chance heavy rain and thunderstorms, we ended up with mid 20's temps, 70% humidity and sunburn! Combined with some steep terrain it made for a physically challenging event and the spur/gully hillsides can be deceptively challenging to navigate. But it's a lovely area and the event was enjoyed by all.

Courses were set by Liz Wood and Matt Flower and we thank them for organising at relatively short notice due to COVID restrictions. And a special mention for Tony Perrott who created a short 'string course' for the younger kids - it kept them entertained and hopefully seeds their love of orienteering!

Congratulations to Men's Champion Peter Mousley and Junior Champion Ruby Burns. Unfortunately, several of our competitive women didn't attend and none completed the Woman's Championship course, so no champion for 2021.
